

Léto

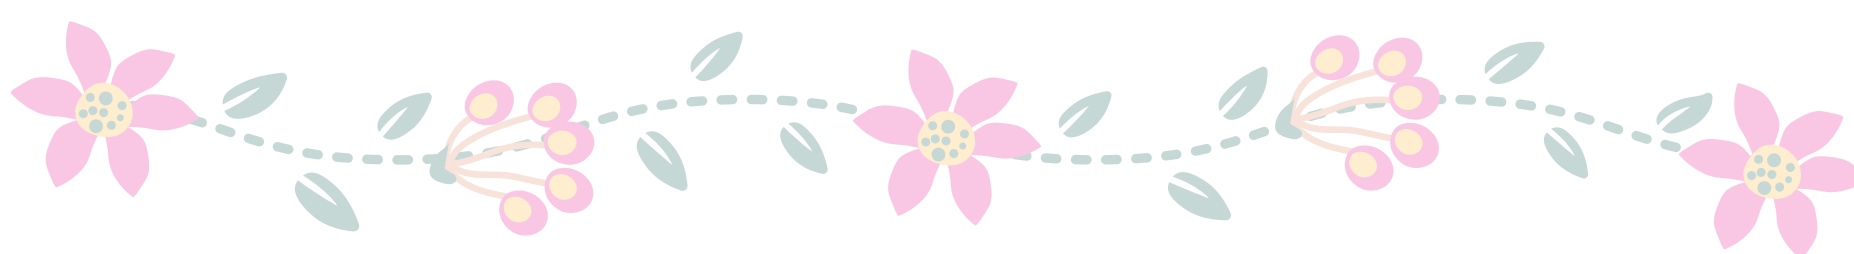

Ahoj, léto je v plném proudu!

**Víš, co patří k létu?
Dokážeš najít rým?
A co rytmezovat slova?**

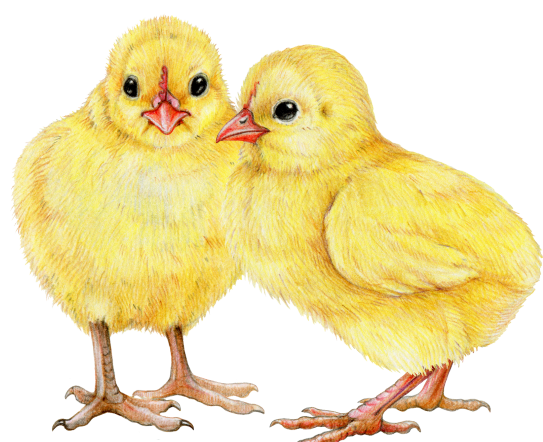

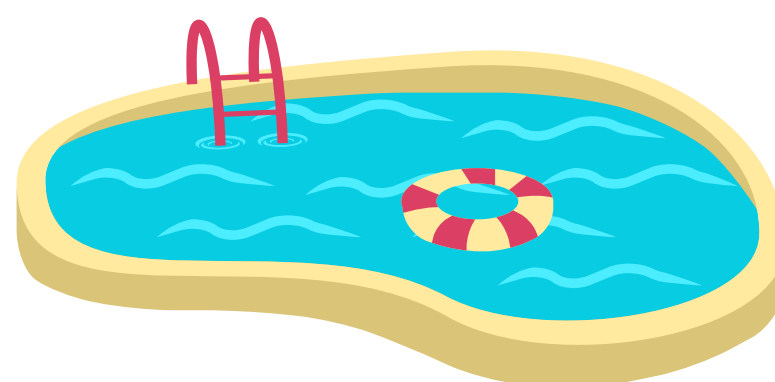

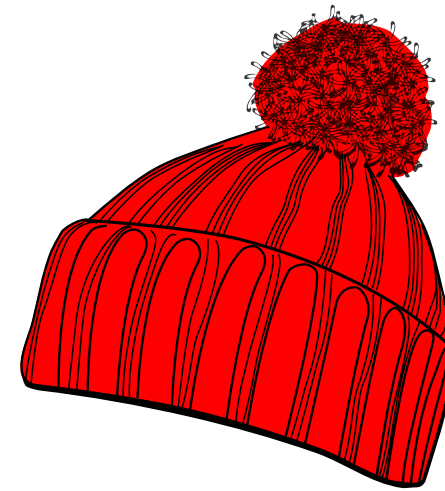

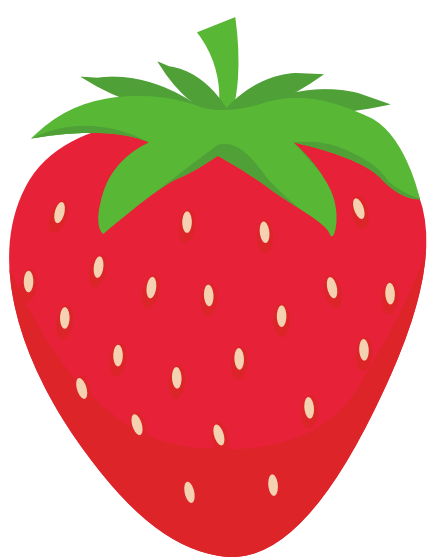

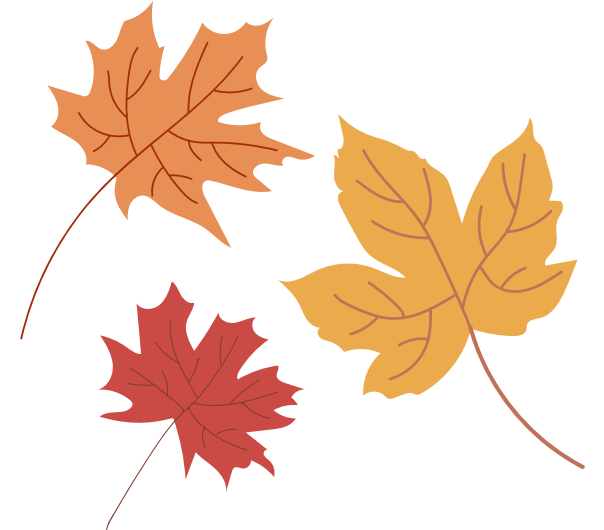

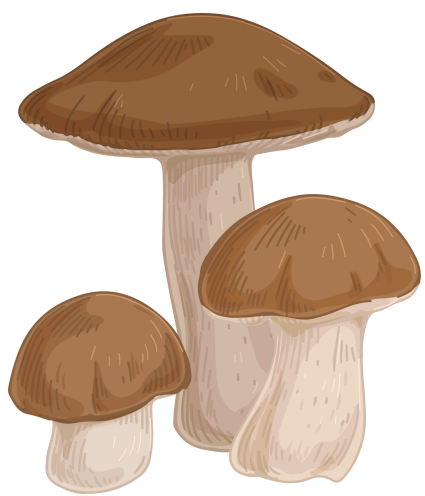

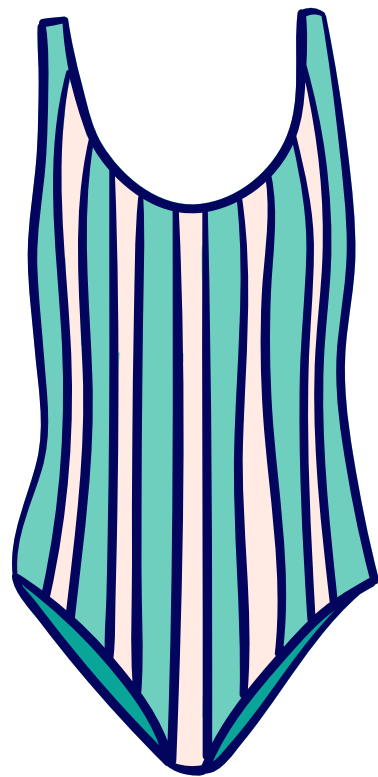

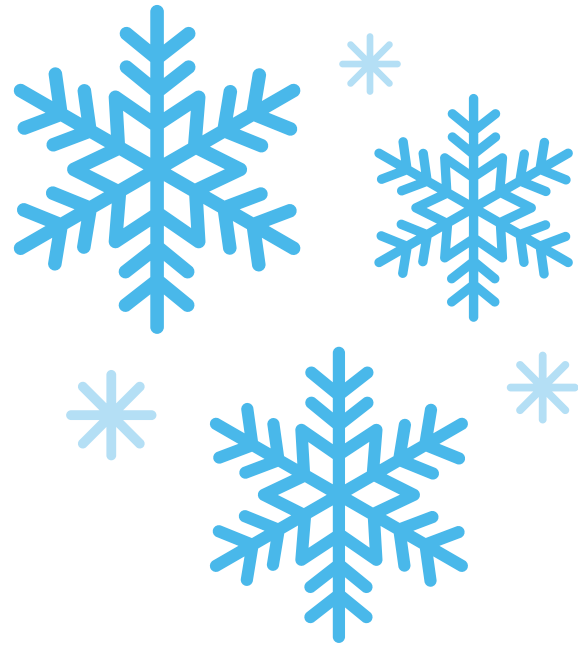

**Mám tady pro tebe připravené
tři úkoly. Pojd' si je vyzkoušet.
Popros mamku nebo tatku, ať
ti přečtou co máš dělat.**

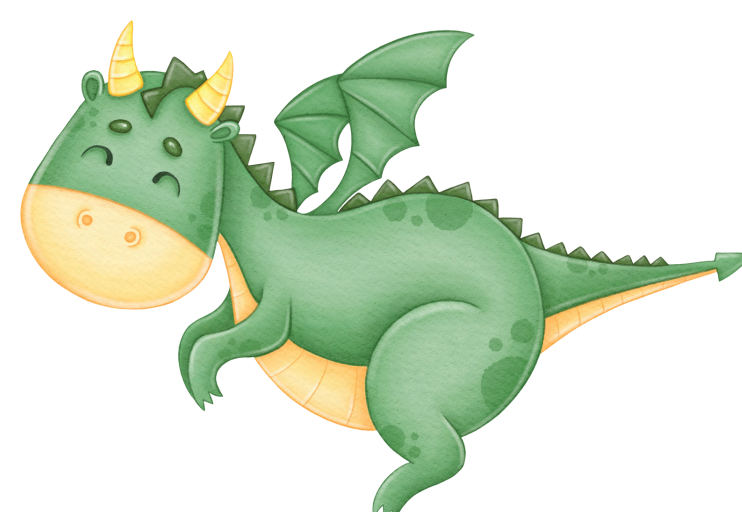

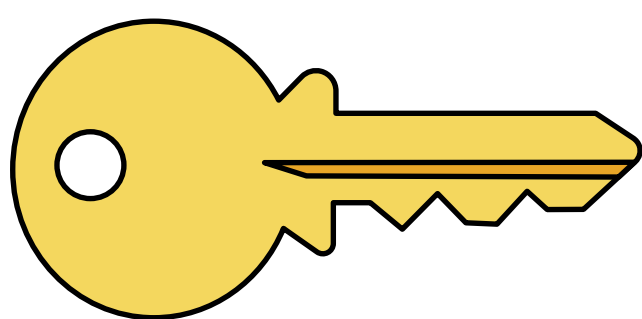

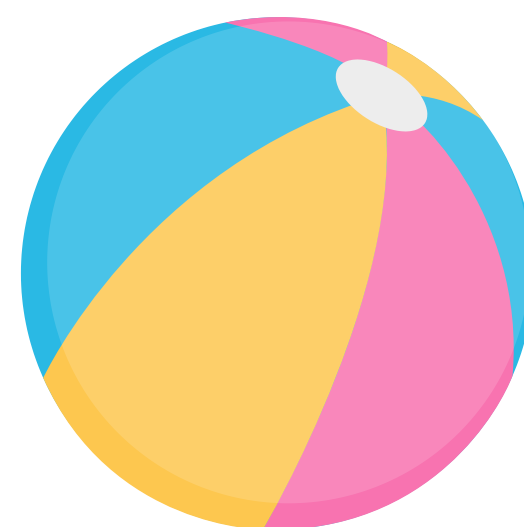

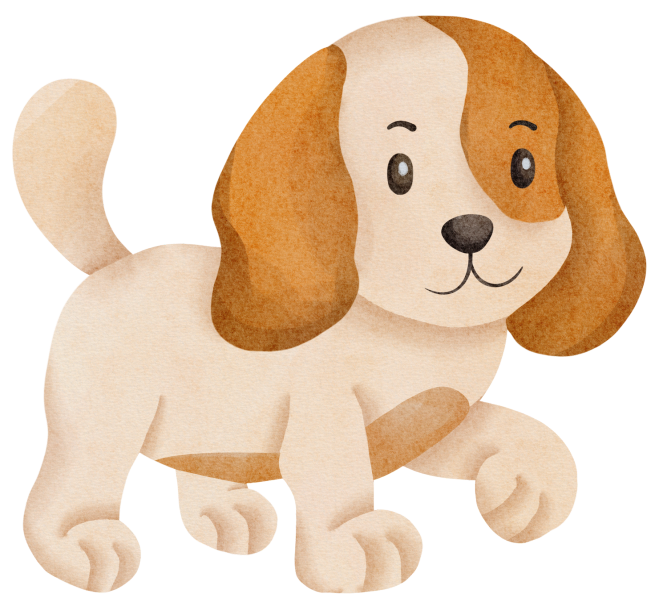

**Úkoly si vytiskni a potřebuješ
jen tužku.**

Zakroužkuj obrázky, které patří k létu.

Spoj obrázky, které se rýmují.

Vytleskej slova a graficky zaznamenej počet tlesknutí.
